

# 2010 STICKLEY LIMITED EDITION COLLECTOR'S PIECE

## A Harvey Ellis Inlaid Cabinet

Gustav and Leopold Stickley surely would be pleased to know that The Historic Mission Collection has stood the test of time and become a lasting influence in modern-day furniture design. Stickley's latest Collector's Edition, a limited edition piece for 2010, is a versatile Harvey Ellis Cabinet that can serve a useful purpose in any room of the home. Patterned after a music cabinet conceived by architect/designer Harvey Ellis at the turn of the 20th century, this limited edition can accommodate up to 100 DVDs, but can also be used as a bookcase, telephone stand or spirits cabinet. Available in either solid oak or cherry, the cabinet's door has an inlay consisting of maple, walnut and cherry.
