## HOME FURNISHINGS

## SPECIAL SERVICES

*You can trust our 100-year experience in the business to keep your fine furniture in exceptional condition with these services. At Toms-Price we employ our own finishers, reupholsters, movers and drivers.*

### **Furniture Touch Up and Refinishing**

Depending on the extent of damage or wear, we will handle the repair right in your home or transport wood furniture to our shop for more extensive work. We will give you an honest assessment on repair feasibility and provide a repair estimate.

### **Furniture Reupholstering**

The Toms-Price specialist will inspect your upholstery and provide an estimate. You may then decide if your best option is to repair and reupholster or to purchase new. We use only the finest, long-lasting materials to give your upholstered furniture a new lease on life.

### **Room Rearranging**

Toms-Price can take care of your room-to-room moves when you need furniture carefully rearranged in your home.

### **Furniture Moving Service**

Within the Chicagoland area, Toms-Price has the expertise to protect your furniture and insure its safe transport. We have our own fleet of trucks and vans insuring that no third parties will be involved in moving your furniture.

### **Furniture Storage**

Toms-Price can pick up furniture from your home and safely store it in our large, state-of-the-art warehouse facility in Bloomingdale, IL. When you are ready for redelivery, within the Chicagoland area, we will provide prompt service. We can also work with your moving company should your furniture need to be stored or transported to a new, out-of-state location.
